 - Community Announcements

Join us at our meeting on November 11th when our speaker will be Mark Robson, the developer of the Riverside Plaza shopping plaza. The project was approved by the City of Campbell earlier this year and will include ground floor retail space centered on a central plaza. There will also be many residential flats and loft homes within the retail buildings. The plaza open space will expand into a park, surrounded by townhomes. The project is thoughtfully designed with classic architecture that will stand the test of time, and public spaces where the neighborhood can gather, shop, dine and socialize.

NEXT MEETING
